### SUMMARY OF BILL

This bill would modify the rules regarding expansion of enterprise zones as follows:

1. Change the requirement that "each of the adjacent cities' governing bodies" approve the expansion to require instead that both the jurisdiction in which the enterprise zone is located and the jurisdiction into which the expansion would occur would be required to approve expansion
2. Allow the enterprise zones located in Fresno or Kern Counties to expand into adjacent unincorporated areas.
3. Allow expansion into noncommercial or nonindustrial land if that land is needed as a right-of-way and is needed for contiguous expansion.
4. Specify that expansion into an adjacent unincorporated area must be into an area contiguous to the existing enterprise zone.

### SUMMARY OF AMENDMENT

The March 1, 1999, amendment restores existing law that only those enterprise zones located in the unincorporated area of a county may propose expansion, while also specifying that the enterprise zones located in cities in Fresno or Kern county may propose expansion.

Except for the changes noted above, the remainder of the department's analysis of the bill as introduced December 7, 1998, and as amended January 28, 1999, still apply.

There is no identifiable revenue impact associated with this bill.
